

## Solenoid valve 4/2 on a base

### Product codes:

Reference:  
PC421-00037  
EAN13: -  
UPC: -

### Product attributes:

### Product description:

4/2 Solenoid valves and modular accessories designed for manifold assembly and DIN rail mounting. The valves act as a functional interface between electrical / electronic control systems and pneumatic drives. Main Features : Low consumption (1 W). High performance pressure range from 3 to 8 bar. Quick installation and easy maintenance. Ideal for use with programmable controllers.
